WEBAC Masonry Restoration – Now Complete!

WEBAC has been setting standards in the sealing and reconstruction of building structures for 40 years. The new WEBAC restoration plaster products now make the proven masonry sealing system a complete system.

Comprehensive. Reliable. From one provider.

Get informed on our website or just call us! We look forward to hearing from you.

WEBAC Seminars and Fairs

Once again this year we will offer a seminar **Sealing with WEBAC Products** in english from 28 February until 1 March 2018 at WEBAC's head office in Barsbuettel/Hamburg, Germany.

Did you Know?

WEBAC now also in Norway! **WEBAC Norge AS**
